Mark Descriptor in %

Individual Commitment	
75-100	The student was actively engaged in the project, attended most of project meetings and completed the tasks assigned to them.
50-75	The student attended most of project meetings but did not complete the tasks assigned to them and did not inform or seek help from others.
25-50	The student attended less than half of project meetings and did not complete the tasks assigned to them and did not inform or seek help from others.
0-25	The student was not engaged in the project and did not have significant contribution. If based on evidence, it is clear that an individual in a group has not contributed at all, then they will be considered as “not submitting” coursework and will get 0 mark for the coursework.
